

Property Management Program Tools and Resources

The Property Management Program gives you everything you need to better serve your clients, further your managers' professional development, grow your business, and secure a competitive edge.

When you sign up you will receive the following:

- Free demonstration/practice community intranet site populated with fictional community data
- Free access to online training and tutorials
- Free electronic version of the Administrator's Guide
- Free access to Resident Interactive Technical Support
- Resident Interactive Self-Study Guide
- Resident Interactive Certified Consultant Assessment

When you become certified, you will receive the following:

- Free development of a custom-designed co-branded creative template (with your logo) for your clients' community intranet sites
- Free development of a Co-branded Customer Resource Page (with your logo) that can be used during the sales process for highlighting your services as a management company
- Free Use of the Resident Interactive Certified Consultant Logo
- Free access to Resident Interactive's Sales team for building demo sites for prospective communities who's business you are pursuing
- Discounts off of Resident Interactive's Annual Access Fees for your clients
- Free access to a Management Portal that will allow you to manage multiple community intranet sites
- Free access to Resident Interactive Technical Support
- Optional ability to sell advertising on the community intranet sites for your communities.

Certified Consultant Program Fees:

- \$250 application fee for the Management Company, which includes the option for up to 5 individual staff members to take the Assessment and pursue the Resident Interactive Certified Consultant designation.
- Assessment Fees for additional staff members are \$50/person.
